Objective

While attending The College of Eastern Utah, I participated in classes that consisted of learning about and studying elementary education. I also took group, interpersonal and public communication. I love doing service to others and taking care of children. I have completed a full time mission for the Church of Jesus Christ of Latter-day Saints in the Jamaica Kingston mission from February 2010 to July 2011. I competed in two half marathons and one full marathon. Currently I am attending Utah State University to obtain my bachelors degree in family and consumer science education.
